

**Foam Lake Credit Union Limited**  
**Scholarship Program**  
(Revised – May, 2011)

**The Awards:**

To go to a maximum of two graduating students of Foam Lake Composite, who will be attending a post-secondary institution (Technical Institute, College or University). Candidates pursuing a business related certificate or degree will be given preference, but all applications will be considered. Programs must be for a one-year term (minimum) at a recognized institution.

The two scholarships will be worth \$1,000.00 each. The funds will be released to the student(s) upon successful completion of the year course, along with proof of marks delivered to the Foam Lake Savings & Credit Union Limited.

Commencement of the course must be before December 31<sup>st</sup>, of the year awarded. Only one scholarship shall be paid to each recipient.

**Applications:**

Submit a letter of application to the Foam Lake Composite School Office by May 15<sup>th</sup>, outlining your accomplishments and the post-secondary institution and career you plan to pursue.

**Selection Committee:**

The Principal and one other Teacher.

**Criteria:**

Student must have a positive attitude towards work.

Student must maintain a good record of school attendance.

**Presentation:**

To be presented by the General Manager (or designate) from the Foam Lake Savings & Credit Union Limited at the School Graduation ceremony.

**FOAM LAKE CREDIT UNION LIMITED**  
**MILES DVERNICHUK MEMORIAL BURSARY**  
**(Established in 2015)**

**THE AWARD:**

In memory of Miles Dvernichuk who had a special place in his heart for youth of all ages, and who spent 23 years as a member of the Board of Directors of the Foam Lake Credit Union, the award is presented to one graduating student of the Foam Lake Composite who will be attending a post-secondary institution.

Preference will be given to candidates pursuing a vocational trade such as welding, or pursuing a career in Agriculture, or the Oil and Petroleum industry; however, all applications will be considered. Programs must be for a one-year term (minimum) at a recognized institution.

The bursary is worth \$1,000.00, with the funds being released to the student(s) upon successful completion of the year-long course or first-year of an apprenticeship program, along with proof of marks delivered to the Foam Lake Savings and Credit Union Limited.

Commencement of the course must be before December 31<sup>st</sup>, of the year awarded.

**Applications:**

Submit a letter of application to the Foam Lake Composite School Office by May 15<sup>th</sup>, outlining your accomplishments and the post-secondary institution and career that you plan to pursue.

**Selection Committee:**

The principal and one other teacher.

**Criteria:**

Student must have a positive attitude towards work, be actively involved in school activities and must maintain a good record of school attendance.

**Presentation:**

To be presented by the General Manager (or designate) from the Foam Lake Savings and Credit Union limited at the School Graduation Ceremony.
